Cambridge Exam Preparation

The Cambridge course is designed to prepare you for the University of Cambridge English exams. This is a formal English qualification that is recognised worldwide. We have three courses that prepare you for: Preliminary English Test (PET), First Certificate in English (FCE) and Certificate in Advanced English (CAE).

We have some great news!

GV Sydney is now a registered Cambridge test centre. Computer based testing will be available for the Cambridge Preparation - FCE course. We will still be holding an FCE course which has paper based testing.
