Teen Activity Program (TAP) – New Timetable

We have an exciting new timetable for our Teen Activity Program (TAP) in 2008. This program offers juniors between 12 and 17 the opportunity to learn English and experience Sydney at the same time. English classes are held in the mornings while the afternoons and Saturdays are filled with a range of fun-packed cultural and recreational activities. Students can join the program from 2 to 6 weeks from 14 July to 22 August.

To view the timetable, visit the [TAP pages](#) of our website

NEW Afternoon Options – General English

We have introduced more afternoon options, including a wider choice for students starting at an Elementary and Upper Elementary level of English. New options include Telephone & Email English as well as Everyday English, leading to a huge choice of 20 options.

Students select 2 options to study every 4 weeks.

For further information on the options available, you can view the [Afternoon Options list](#) from our website

English + Work Student – Daniele, Italy

“I studied General English for 4 weeks and found that the teachers were not only very friendly but taught us very well which gave me more confidence in my skills. As part of the Work program I have been working at a bar and restaurant for almost 2 months now and have also made great friends. Sydney is so different to most European cities as I find it to be so multicultural. Once I have finished GV Sydney English + Work program I will use the money I have saved to travel and see more of Australia. “
